

# Lynch Hill School September 2020

*Aim high, work hard, care deeply*

# Foreword from Mrs Tomlinson

I cannot wait to welcome you all in September and hope that it will be the start of a school year filled with amazing opportunities, new challenges and endless fun.

Each day, I feel very grateful and extremely proud that I am the Headteacher of this school: a school where our vision is to ***'Aim High, Work Hard and Care Deeply'***. It is important to know that this isn't just an expectation for the pupils, every adult in the school has to do this too. If we are all aiming high, working hard and caring deeply, then Lynch Hill School is a place where anything is possible, where targeted outcomes are achieved and the support and commitment is there to enable everyone to develop, to grow and to experience what success feels like.

I want this new school year to be a year where you make the most of all that is on offer at Lynch Hill, where you are able to embrace challenge and one where you feel brave enough to try new things. You are not alone; we are on this journey together.

# A Welcome to Year 2

Welcome all to Year 2! This year marks the last year in Key Stage 1. In this year your children will learn to hone their skills to become excellent writers, mathematicians, scientists and much more!

Within this year, we encourage the children to become more independent, remembering their PE kits and being able to ready themselves for the end of the school day.

At the end of this year, your child will undertake SATS tests. These include two maths tests (Mental Arithmetic and Reasoning) and two English reading tests. These help to inform the teacher-assessed SATS results.

# 5 Fun facts about Year 2

1. Most importantly first of all - we have air-conditioning! That makes the Year 1 teachers very jealous because we can stay cool in the hot weather.
2. We learn about lots of famous people in Autumn, including Florence Nightingale, Picasso and Martin Luther King.
3. We have break times and lunch times on the Key Stage 2 playground and field. That gives us lots of room to run around!
4. We have two teachers with surnames beginning with 'R' and three teachers with surnames beginning with 'M' - that makes naming our classrooms really difficult! 😊 (We also have two members of staff with the same first name, but you'll have to guess who!).
5. In the summer we get to go to Whipsnade zoo and see all the amazing animals!

## Fun Zone

- ▶ Fun Zone is an after school supervised club that runs from 3.15pm until 5.45pm. Spaces are limited so places need to be applied for via the school office.

## After-school clubs

- ▶ We offer a variety of after-school activities which can be sport-based, crafts and many others. A letter is sent out prior to each half term to allow you to apply for these.
