

Nursery Curriculum Map - Autumn 2019

- Welcome to your child's first term at Lynch Hill Academy School. The aim of this curriculum map is to give you an insight into the skills your children will develop during their first term at nursery. Here at Lynch Hill, we are committed to developing a curriculum of the head, heart and hand.
- Please note that due to the nature of Nursery, learning objectives are revisited constantly and are often decided on a week- to- week basis. This will be dependent on the interest and needs of individual children and the cohort as a whole.
- It is important to understand that all children learn and develop at different rates and planning will be altered to suit the needs of individual children.

Personal, Social and Emotional development

Making Relationships- We will begin forming special relationships with our teachers and peers.

Self -confidence and self-awareness- We will enter Nursery confidently and explore the areas with interest.

Maths

Number - We will be learning to count by touching each object one at a time.

Shape, Space and Measure – We will notice and identify shapes around our environment

Literacy

We will be listening to stories and relating them to our own families and where we live.

- You choose
- Owl Babies
- Monkey Puzzle

Communication and Language

Listening- We will begin to listen with interest to new stories and rhymes.

Speaking- We will begin to use simple sentences to ask questions and communicate with peers.

Understanding – Will be able to identify action words.

All about me

Physical development

Moving and Handling - We will develop our confidence in climbing Nursery equipment and begin to move in different ways, developing fine and gross motor skills.

Self-care - We will become confident in using the toilet independently and discuss when and why we wash our hands.
