

Using before and after

Task 1

National Curriculum link - Sequence events in chronological order using language (for example, before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening).

Look at the pictures of Maya, we can see what she does before school and after school.

Before school:

- Maya wakes up.
- She gets dressed for school.
- She eats her breakfast.
- She brushes her teeth.
- She walks to school.

After school:

- Maya leaves school.
- She plays outside.
- She goes to bed and reads a book.
